### Synergy Holdings, LLC

Synergy Coverage Solutions  
Synergy Insurance Company

The **Synergy Companies** provide underwriting, claims, loss prevention, and financial services to workers’ compensation insurance companies, group self-insurance funds, and individually self-insured employers. The group operates in North Carolina, South Carolina, Virginia, Georgia, Illinois, Indiana, Missouri, Tennessee, and Florida.

# Superior Loss Prevention Services for the Manufacturing Industry

Synergy Coverage Solutions knows the manufacturing industry presents an environment of unique operations and challenges. Therefore, we have developed a comprehensive safety plan, tailored to the specific needs of your organization, by taking explicit interest in your loss history and exposures. We understand the variety of exposures your business faces on a daily basis. Let us assist your company in reducing exposures across the board; why take on this project alone?

## Program Development

**There is unequivocal proof that safety and loss prevention programs reduce accident frequency and severity. We can assist in developing programs such as:**

- Hiring Practices
- Post-offer Medical Questionnaires
- Early Return to Work Programs
- Medical / Claims Management
- Drug Testing Programs
- Safety Committee Development
- Safety Rewards Programs
- Workplace Inspection Programs

## Onsite Services

**As a Synergy Coverage Solutions partner, you have access to onsite training and services provided by one of our certified safety specialists. A sampling of these topics include:**

- Machine Guarding
- Lockout/Tagout
- Personal Protective Equipment
- Respiratory Protection
- Hearing Conservation
- Hazard Communication
- Slips, Trips and Falls
- Safe Lifting
- OSHA-Compliant Training Services
- Mock OSHA Inspections

## Safety Assessment

**Your employees are your most valuable asset. Protecting them is of utmost importance. In creating your facility's personalized loss control program, our goal is to protect your employees, thereby increasing morale, reducing workers' compensation costs, and increasing productivity.**

## Specialized Services

### Shipping & Receiving

Shipping and receiving procedures present a wide variety of hazards. In this environment, we give careful consideration to:

- Forklift and pallet jack safety
- Chemical safety
- Proper body mechanics
- Fall protection
- Industrial hygiene

### Production

Our Loss Prevention Consultants will help you evaluate, analyze, and control exposures presented in the production environment. Synergy Coverage Solutions will reinforce the importance of:

- Machine guarding
- Personal Protective Equipment
- Housekeeping
- Forklift safety

### Maintenance

Synergy Coverage Solutions pays close attention to OSHA regulations for the maintenance department and can assist you in ensuring compliance with:

- Lockout/Tagout
- Fall protection
- Hearing protection
- Airborne exposures

### Administration

Synergy's Loss Prevention Consultants act as an extension to your Human Resources department. In the administrative environment, we give careful consideration to:

- Hiring an appropriate workforce that is fit-for-duty
- Housekeeping
- Lighting
- Ergonomics
